Any personal property belonging to the Student remaining in the Room or on HRE Facilities premises after the Expiration Date shall be deemed abandoned by the Student and may be disposed of by HRE at the Student’s expense. 30. **Room and Roommate Assignments:** The Student may request a room assignment. However, HRE makes no guarantee regarding the Student’s assignment to any HRE Facilities, Room or roommate. HRE reserves the right to make room and roommate assignments as HRE deems necessary. Room assignments may be denied, reassigned or canceled by HRE at its discretion and at any time for reasons of health, safety, discipline, optimization of space or other reasons. Reassignment may also take place should a student fail to comply with Living Learning Community/Themed Community program expectations or requirements. Reassignment may include accommodations within the community such as the University Guest House or off-campus hotel. All room assignment changes must be approved in advance by HRE. If the Student changes room assignments without approval from HRE, the Student will be assessed a penalty charge up to $150 and will be required to move back to the assigned Room. 31. **Assignment and Subletting:** The Student shall not assign, sublease or transfer any interest in this Agreement to any person without HRE’s prior written consent. Any assignment of the Student’s interest in this Agreement (regardless of HRE consent) will not release the Student of the Student’s obligations hereunder.
